or wondering if you have enough equity to trade out for another, you may be relieved to know that for most buyers, low down payment options are still available.

0 DOWN

The Veterans Administration and the US Department of Agriculture (USDA) both offer a zero down loan program for individuals and/or properties that meet their criteria.

Sometimes, loans require little or no cash out of pocket. Some HUD properties are available with as little as \$100 down.

5%

Fannie Mae / Freddie Mac conventional loans are available with down payments as low as 5%. The minimum on these programs can change depending on factors such as property type, credit score, occupancy, etc.

3.5%

The Federal Housing Administration (or FHA) loan program can allow as little as 3.5% down, and it is more lenient than most other programs on minimum credit scores and other factors.

ARE YOU SURPRISED AT HOW LOW YOU MAY BE ABLE TO GO?

While many believe a 20% down payment is required or simply the most prudent, you can see now that it's far from the only option. Whether you've saved a little or a lot, reach out today, and we'll work on finding the perfect formula that's just right for you.
